

LSP Provider Access Statement

Introduction

This policy statement sets out the Trust's arrangements for managing the access of providers to students at our three secondary schools: Gordano School, Backwell School and Chew Valley School for the purpose of giving them information about the provider's education or training offer. This complies with the secondary schools' legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All students in years 8 – 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through a variety of methods including options events, assemblies, group discussions, lunchtime pop ups and taster events;
- To understand how to make applications for the full range of academic and technical courses.
